## Circus Indian Held On Pistol Charge; Was Drinking He Says

Arvin Brown, an Ottawa Indian, whose home is in Nebraska, was in jail here Friday morning awaiting disposition of his case before Judge Dan Tyson, in county court.

Brown drew a pistol late Thursday night in an argument at a local cafe with local men. He said he had been drinking.

Frank Sugar Brown, father of Arvin and his wife are parents of 8 children, 6 of them being in Cameron with the Dailey Brothers Circus. The family remained here for the court proceedings. Arvin was undecided on what he would do when circus officials offered to pay his fine last night.

Sheriff Carl C. Black placed Brown and another brother under arrest when called to the scene of the disturbance. Friday morning Arvin Brown had not made up his mind to pay the fine.

The degrees were awarded by Dr. Harold W. Dods, president. Eleven states and three foreign countries have students represented by the awards.

## Early Mailing Urged By Postmaster; Buy Stamps Early Also

Postmaster John R. Hays today asked local residents to plan their Christmas shopping schedules now to permit early mailing of Christmas cards and gift packages, thus avoiding last-minute crowds at post office windows.

To assure delivery before Christmas Day, the Postmaster advised that out-of-state mailings should be made before December 10. Christmas greeting cards for local delivery should be mailed by December 15, he said.

"On Christmas Eve, it is a great satisfaction to be certain your Christmas cards and packages have been delivered because they were mailed early," he pointed out. "When you postpone mailing to the last minute, you risk disappointing your friends by having your messages and gifts caught in the rush and perhaps not delivered until after Christmas."

The local postoffice "has already done a large part of its own Christmas shopping by laying in supplies of many thousands of dollars worth of stamps," he announced.

"We would appreciate it if people would stop in next week and purchase the extra stamps they are going to need for their Christmas cards and letters," he said. "This is one phase of Christmas shopping that can be completed early, and it will help us a great deal in speeding up traffic at Post Office windows during December."

## SECRETARY MARSHALL RAPS RUSSIA

### PLAIN TALK MADE BY SECRETARY OF STATE

CHICAGO, Nov. 18—Secretary of State Marshall tonight denounced Russia's "brazen and contemptuous" propaganda as a threat to world stability and said it was time to call it to a halt. "We do not propose to stand by and watch the disintegration of the international community to which we belong," Marshall declared.

Sharply denying that the United States has imperialistic aims in extending aid to Europe, he said communistic misrepresentations "goaded the American people into a state of active resentment."

Speaking on the eve of his departure for the big four foreign ministers conference at London, Marshall said that Russia herself is to blame for what he termed a complete change in this country's attitude toward the Soviets since Germany's surrender.

Her territorial expansion contrasts, he noted, with the voluntary reductions in area made by the United States and Britain. Russia, he charged, appears determined to prolong Europe's plight indefinitely.

Marshall spoke out bluntly in an address prepared for the Chicago council on foreign relations and the Chicago Chamber of Commerce. His references to Russia were viewed by some of his associates as aimed to make plain this country's attitude before his meeting next week with Soviet Foreign Minister Molotov in the big four's fifth post-war attempt to reach agreement on a European peace settlement.

"We are aware," Marshall said, "of the seriousness and extent of the campaign being directed against us (turn to page four)"

## GINNINGS TO NOVEMBER FIRST ARE REPORTED

There were 20,853 bales of cotton ginned in Milam county up to November 1 according to the report just mailed out by J. G. Thompson, statistician for the Department of Commerce here.

Up to November 1, 1946 there were only 8,768 bales of cotton and it appeared that the 1947 crop might not reach the expected total of 25,000 bales, however a great many portions of the county were still in the picking stage on the crop.

Cameron cotton men early in the season predicted the crop would be around \$25,000 bales.

The next report will be mailed out by Mr. Thompson around December 1st and should show the ginnings up to November 15.

### WARRANT ISSUE TO RUN FOR SIX YEARS HERE

The City Council will issue warrants in the sum of \$6000 to pay for a coating of asphaltic oil on the streets in the business sections of the city.

These warrants will run for a period of 6 years, payable at the rate of 4 per cent interest and the principal to be retired at the rate of \$2,000 each two years.

The city's finances are in a deplorable shape due to failure of the council to restrict overhead. Instead of cutting down on its expenditures the city went ahead with an expanded program of expenses paid out of the general fund. The street department in 1946 spent nearly 17 thousand dollars. Increased costs of labor and materials have had a large share in the financial plight in which the city now finds itself.

Current tax collections may make borrowing at the banks unnecessary for a time, but in the main the city will be asking for loans to pay its running expenses early next year.

The city began borrowing money in 1946 to pay its overhead. The council had no alternative to issuing warrants to care for the street protection program.

### FOUR MORE ENLISTED IN ARTILLERY UNIT

With the enlistment of four more men on last Monday evening, Battery C, 239th Field Artillery Battalion came close to filling its assigned quota in the National Guard's redolent Michalka, the Commanding Officer, was confident that several others who already have been interviewed would be enlisted in the few remaining days of the drive and assure the local organization of a hundred percent record.

The four newest Guardsmen, he said, are: Edwin H. Kurtz, John Krenek, John N. Mikulec and Johnny R. Kaminsky. Krenek is an Air Corps veteran; Kurtz, Mikulec and Kaminsky are students at local schools.

The last available figures on the National Guard's recruiting campaign in Texas show that Battery C is well ahead of units in other towns and cities in this area. Only Btry. B of the 239th FA Bn. at Taylor had a higher percentage of enlistments.

Although the NG's "Operation 88,888" campaign will end on November 16th, Capt. Michalka said that recruiting for the battery would continue for a time, since it is not yet up to its full strength. Anyone who is interested in enlisting can get in touch with him at the Cameron Machine Shop during business hours.

### CONTRACT IS LET FOR WINTER SEALING JOB

Cameron streets need seal coating jobs and must be protected against winter damage, so the city council has let a contract for 23 blocks at 19 and a half cents per yard to Ned Hoffman & Company of Fort Worth.

Mayor A. W. McCullin called a meeting of the Council late Friday and several members of his advisory committee were present.

The mayor told the council and members of his committee that he had conferred with the State Highway Department regarding the seal coat over the pavement. He said the Department had advised him this is a good procedure. Streets can be protected against the time when they can be torn up and repaved.

Mayor McCullin says this seal coat will protect the streets from three to six years.

A special offering will be taken at that time and will be used for the work of the Young People's organization.

Immediately following the service, hot coffee and doughnuts will be served in the basement of the Church.

Citizens of Cameron are urged to attend this service, and support the young people of Cameron as they attempt to serve the community.

### TWO CAMERON WOMEN ARE HURT IN CRASH

Two Cameron women are in St. Edwards Hospital as the result of severe injuries sustained around 7:30 p. m. Tuesday when their car skidded on the highway and overturned on Highway 77 near the Elm Creek Bridge.

Mrs. Jane Chorlett, driver of the car and companion, Doris Braden were on their way to Rosebud when the car went out of control. The car, a new Chevrolet was badly damaged.

Officers were soon at the scene of the wreck and an ambulance from Berek-Burns took the injured women to the hospital.

It was said early Wednesday that neither of the women was critically hurt but may have to remain in the hospital for several days.

## 10 ways you can help yourself to good telephone service

Telephoning is easy. But more depends on the user than people realize. What you do when making or receiving a call often has a lot to do with how satisfactory that call is. Here are ten suggestions:

1. Before you call, make sure of the number. If you're not sure of it, look in the telephone directory, and thus avoid wrong numbers.

2. Give the called party time to answer. He or she may be some distance from the telephone. A minute isn't too long.

3. Speak directly into the mouthpiece. About an inch between it and your lips is right for best results.

4. Move the switch hook slowly up and down to recall or signal the operator. "Jiggling" the hook rapidly often won't cause a signal to come in and is useless.

5. Replace the receiver carefully when you have finished talking. A receiver partly off the hook puts the whole line out of order.

6. Answer calls promptly. It's courteous to do so and often keeps the caller from hanging up—thinking you're not at home.

7. Identify yourself when you call or answer. Not everyone recognizes you by your voice. Telling who you are saves time and sometimes embarrassment.

8. Space calls on party lines. If you have a series of calls to make, allow a few minutes between each one so others can use the line to call or be called.

9. Keep calls brief on party lines. Other folks on the line will appreciate your thoughtfulness and—who knows—may follow your good example.

10. Avoid calling in busy hours if possible. Switchboards are usually busiest during midmorning and late afternoon.

## BANK ROBBERY LOSSES BELIEVED ONLY \$10,000

Vernon D. Nicholson, president of the First National Bank of Rosebud which early Friday morning was robbed by two unmasked bandits, reported last night that the value of the loot taken in the daring robbery "would not exceed \$10,000."

Nicholson had been quoted following the robbery as saying: "Although, of course, I have no way of knowing how little or how much it (the loss) is, I wish I knew it will be as little as \$100,000."

Nicholson and Sheriff Brady Pamplin of Falls County listed the valuables taken from the 52 uninsured locker boxes which the bank loaned to its customers as 15 \$100 bills

\$500 in one to 20-dollar gold pieces, several diamond rings, brooches, a diamond bar pin, and mixed bonds. Among the bonds found missing were three \$1,000 U. S. savings bonds, and two \$500 U. S. Savings bonds.

Also missing were 15 "Stone Mountain" 50-cent pieces.

Nicholson said that the contents had been checked, repeating his statement that the total value when these boxes had been checked would not exceed \$10,000.

Meanwhile, Sheriff Pamplin's department had nothing to report on the investigation, thus far, of the burglary. "Two Texas Rangers, two of my men and the FBI are on the job," Pamplin said, "but we have no leads to report."

## A MAN OF THE WORLD

Yes, and we mean in an important sense, for the eyes of the World are upon him.

He is the American farmer.

He, alone, among the farmers of the major nations, is able to feed his own countrymen and hungry millions in other lands. Last year he sent 20 million tons of food abroad while maintaining our own diet level—already the best in the world.

This high production efficiency—achieved by the persistent application of new tools and scientific discoveries—must be main-

tained in months to come. For food is still fighting for peace.

And so is steel.

Steel companies, which already have set new peacetime production records, are spending more than one billion dollars on improvements and expansion to meet the needs of reconstruction abroad and our expanding economy at home.

Through steel and farm production lies a great source of American strength. And only the strong can hope to keep the peace.

## PLAIN TALK—

(continued from page one)

as one of the bulwarks of western civilization. We are not blind of any of the forms which this attack assumes. And we do not propose to stand by and watch the disintegration of the international community to which we belong."

Despite "provocation," Marshall said he would take an open mind to London and will seek only for a sound basis of agreement.

"I will seek to avoid statements for mere popular or propaganda effect, no matter what the provocation," he pledged. "It is my purpose to

concentrate solely on finding an acceptable basis of agreement to terminate the present tragic stalemate and to speed the advent of a new era of peace and hope for Europe and the world."

Soviet-American differences, Marshall contended, are "not due to any direct clash between the national interests of these powers."

Marshall directed his counter attack chiefly against communist charges that the United States is following an imperialistic course seeking to aid European recovery.

"If the United States entertained any idea of extending American influence or domination over Europe, our policy would not be directed toward ending European dependency upon this country, but toward perpetuating that relationship," he said.

"The clarity of the record and of our intentions, however, has not prevented Soviet officials and communists groups elsewhere from waging with increasing venom a calculated campaign of vilification and distortion of American motives in foreign affairs. These opponents of recovery charge the United States with imperialistic designs, aggressive purposes, and finally with a desire to provoke a third world war."

"I wish to state emphatically that there is no truth whatsoever in these charges, and I add that those who make them are fully aware of this fact..."

"While the western democracies have been reducing the area of their sovereignty, one country has taken the opposite road. The Soviet Union has in effect considerably expanded her frontiers. Since 1939 she has de facto annexed territory comprising an area of more than 280,000 square miles, with a population of some twenty million people."

## ESTATE—

(continued from page one)

Walter C. Cox, probate genealogist, 208 S. LaSalle St., Chicago, who specializes in tracing missing relatives to settle estates, and who is directing the hunt.

"Mr. and Mrs. Ferlman," Mr. Cox said, "are known to have married in about 1870 in southeast Texas. Unfortunately, the exact locality is unknown. They are reported variously, however, to have lived in the area bordered on the south, west, and north by Corpus Christi, San Antonio, Waco, and Tyler."

"There appears to be evidence that some of their descendants or other relatives are still located in the territory. Their children or grandchildren, if any, would have first claim to the money. If they had no descendants, or if none are living, then the descendants of their brothers and sisters succeed to claim."

"Unfortunately, we do not know the names of Mr. and Mrs. Ferlman's parents or of their brothers and sisters, or of the people's children."

Mr. and Mrs. Lincoln Barber, Jr. and two sons, Lincoln III and Bruce of Jacksonville spent the week end with her parents, Mr. and Mrs. Owen Weems.

Mrs. Jim York and daughter visited Mrs. York daughter and sisters in Houston and Bryan the last two weeks.

## M. M. Johnson Moves Jewelry Shop To Home On West Main

M. M. Johnson, oldest man now in business in Cameron, has moved his jewelry business to his home at 621 West Main Street.

The building recently occupied by Mr. Johnson was sold and he was forced to move so decided upon his residence. A new and very attractive shop is being installed at his home and he says he likes the arrangement fine.

Mr. Johnson began business here in 1887 and the Johnson Jewelry Store was one of the show places in Cameron. Mr. Johnson was associated with his brother, R. M. Johnson who passed away some years ago. Down town Cameron will not be the same with the famous jewelry store sign absent but friends are glad to know Mr. Johnson is so well situated at his home.

Mrs. Marvin Pratt and boys are spending the week in Somerville with Mrs. Pratt's parents, Mr. and Mrs. George Schienberg.

# Yoemen Are Ready For Homecoming

The Yoemen are getting a rest this week and getting ready for the game with Gatesville here on Wednesday night, November 26 which is homecoming time for all ex-students at Yoe High School.

On Friday night Burnet got a tie with Fredricksburg and will play Llano this week. If the Burnet team wins and they are apt to do so Cameron will face Burnet in the Bi-District. Fredricksburg faces Mason.

Coach Leo Jackson was doing a bit of scouting these days. He is also looking over McGregor because the Bulldogs could win the 32-A district title and in that event the Yoemen would face them in the regional.

Carroll Wood's Mexia team also has a better chance to win the title there and would then face the Yoe-

men in the regional. Coach Wood who led the Yoemen 8 years was at Rosebud Friday night with his entire squad scouting the Yoemen in their 26 to 0 win over Rosebud in the mud.

Now that the regular conference play is over it is speculating time for 1948. As we look over the squad we see three boys to-day who are going to have a lot of hopes showered on them next year.

Dick Stedman who has subbed in at times for Lawrence Michalka as the man under the T formation will get his big chance as a starter in 1948. Dick has done a fine job two years in succession and in his senior year will be a standout. He is a good passer also.

Gordon Gibson will perhaps have the hardest task of all for upon him will fall the responsibility of hitting into the center slot which for 3 years has been so capably played by Jimmy O'Neill. Gibson has been seen in action a number of times this year. Gibson weighs 160 pounds and plays like a champion.

Bernard White who hails from Jones Prairie is another lad who faces the big job in 1948 for he must step into the shoes of George Hollas or Charles Duncan at guard position. Bernard has played great football although kept on the bench because of the two men who were first string-

ers and Seniors. Coach Jackson is laying a lot of hope on White and he is due to come through in a big way.

## Produced That Line

J. R. (Dick) YOUNG

The Yoemen have just won the District football Title in 31-A for the second time in succession and the man who made it possible in large measure is Dick Young, line coach. A great lineman himself at Centenary under Homer Norton, he was head coach here for several years and is now line coach and has done a fine job.

## RAINFALL HERE BRINGS WINTER CROP HOPES

Colder weather by Tuesday was in prospect for Texas and in the Cameron area nothing radical is expected though sub-freezing temperatures were due to prevail in the Panhandle and Plains by nightfall.

Rain was forecast for West Texas and rain had already fallen in this area. More is in prospect. No official figures were available at the times of going to press but L. W. Smith local observer for government, was due to make a check Monday afternoon. It was estimated that near one inch had fallen here up to noon.

Within the past week around .60 has fallen here. Hopes were up that winter crops might benefit. Little hope is held for ranges but stock water has almost disappeared in this area.

Mr. and Mrs. George McDonald of Seymour are here for a few days visit with Mrs. Graham Gillis and family. Mrs. McDonald formerly was Miss Bessie Gillis, a sister of the late Judge Graham Gillis, and lived in Cameron for a number of years before she married.

## Stolen Car Is Found In Garage of Cameron Man Early Saturday

Homer Allen who chased a car thief Thursday afternoon as the man made away with his car, has recovered the machine.

Jim McGoldrick, City Marshal, recovered the car. It was found in the garage of A. L. Witcher on East 13th Street.

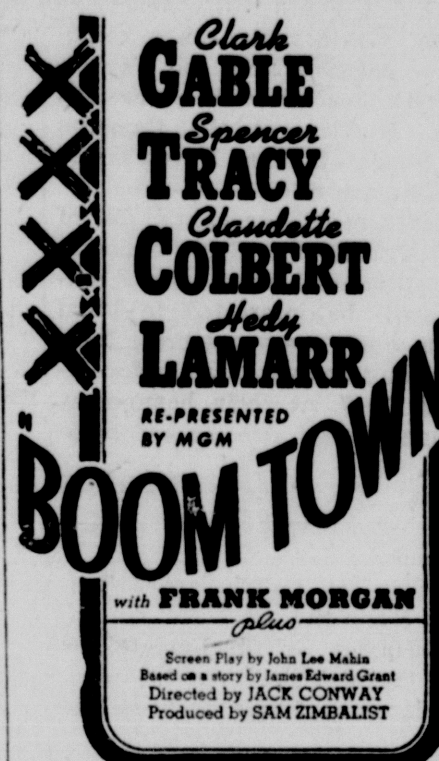

Mr. Allen and Mr. Hughes racing after the thief in a Jeep, lost him in the maze of turns in north Cameron. Later it was learned that the car, being driven by the man who had stolen it almost collided with a car driven by Sam Harwell of Belmena.

The thief failing to escape from the city abandoned the car by driving it into the Witcher garage which was empty. Mr. Witcher of course knew nothing of the matter until he was told by officers.

The car was badly damaged, glass being broken and two tires blown out in the wild drive through the city.

## MASKED BANDITS RIFLE ROSEBUD LOCKED BOXES

ROSEBUD, Nov. 14 — Two courteous bandits blindfolded and gagged City Nightwatchman Melvin Lucas, marched him across town under street lights to a barn where they bound him with baling wire, then entered the First National Bank here early this morning where they broke into a safety deposit locker box vault and took what most officers and Rosebud citizens believe to be about \$100,000 in jewelry and securities. Texas Rangers, the FBI, Sheriff Brady Pamplin and local officers were busy today seeking clues which might lead to the identity of the men. One officer said there were "fingerprints aplenty."

Most difficult of all facts to find, however, was just how much the loot amounted to. V. D. Nicholson, bank president, said Friday he had no idea what the boxes contained. Efforts were made throughout the day to contact owners of the boxes and have them bring in a list of valuables, but late Friday afternoon only seven persons had responded.

Nightwatchman Lucas termed the bandits "courteous" because he said, not once did they use profanity, "and they always were asking me if I was comfortable and if the wire was too tight around my hands." Lucas said one of the men checked on him three times after he was placed in the barn, "and he scolded me once for moving the tape off my mouth." The barn where the bandits took Lucas is across Main Street from the nightwatchman's office where he was attacked.

The vault in which the safety deposit boxes are located is separate from the regular vault in the bank. Entrance to the vault was gained through a side door at the bank. The thugs then pried open the vault and opened the boxes. Most noticeable of items left by the bandits was a number of E war bonds ranging in value from \$10 to \$5,000. These bonds, along with other non-negotiable items, were left scattered on the floor of the back room at the bank.

One estimate of the value of items in the boxes was obtained when J. R. Kilgore, Rosebud postmaster, talked to two of the box owners. One person said he had \$1,000 worth of negotiable items and jewelry in the box while still another said he was sure there was \$5,000 worth of things that could be transferred in his box. One problem confronting bank officials and peace officers was the fact that many persons did not seem to know just what was in their boxes.

Arnold Muldrow, nightwatchman when an attempt was made to rob the Planters National Bank just across the street Oct. 19, compared notes today with Lucas on the two men who attacked Lucas last night. Lucas said there was one small man, just as Muldrow had reported the night he was attacked. However, Lucas was blind-folded before he could get much of a look at the men.

Officers have sent warnings to dealers throughout this area to be on guard against suspicious characters who might attempt to get rid of some of the jewelry.

Officers making the investigation included Sheriff Pamplin of Marlin; Ranger Joe Thompson of Waco; Ranger J. C. Paulk of Temple; Constable Bill Beckworth of Rosebud; and City Marshal J. B. Curtis.

From where I sit... by Joe Marsh

### Metropolitan Papers Please Copy!

Folks here were burned up over an article on Our Town I reprinted from a city paper. Made us sound like a bunch of "hicks" who whittled sticks and wore chin whiskers. (Last person I saw with chin whiskers was passing through on his way east.)

So I ran an editorial on how we spoke of city "slickers"—as overdressed wisecracks, only interested in making money, and spending it in night clubs.

Fact is, if we got to know each other we'd probably find we're not

much different, underneath. City folks work hard; like to come home at night to their families; and relax with a moderate glass of beer, like we do.

From where I sit, it doesn't matter if you live in an apartment house or on a farm—work in an office or a cornfield—the American tradition of quiet home life, temperate habits, and neighborliness is common to all of us.

## CONFERENCE PLAY ENDS WITH YOEMEN CHAMPS

The Yoemen played out their conference schedule in a blaze of glory at Rosebud last night defeating the Panthers 26 to 0.

The Yoemen are champions, made so by their one sided victory over Belton on Friday night, November 7 but the final district game was an affair as serious as though they were battling for leadership.

The game at Rosebud Friday night was rugged and the field was churned to a sea of mud. Featured as usual was the Yoemen line play. The Panthers reached the Yoemen 45 yard line only once. The Panthers did not make a first down during the first half and only 12 yards rushing. The Yoemen made 13 first downs in the first half and rolled up 246 yards on ground plays and it looked like an all time record despite the wet field.

It was a different story in the second half with Rosebud flashing some great line play and though statistics in the first half were overwhelming in favor of Cameron the Panther line threw up a stone wall time and time again to keep the score down. The Yoemen led the Panthers 19 to 0 at the half. Rosebud never threatened at any time during the game.

The Yoemen scored once in the first quarter, twice in the second and once in the third.

Howard Beale, 195 pound full back accounted for two of the scores and T. J. O'Neill accounted for two. Richard Burke was a sensation in the backfield. As usual the standout men in the game were linemen: Eugene Salach, right tackle, Charles Riola, left tackle and extra point man who kicked 500 at a wet ball, Charles Duncan, right guard and George Hollas at left guard, both as rugged linemen as the conference ever saw, Jimmy O'Neill at center who looks more like Ki Aldrich every game, Joe Hawkins, the left end who made a sensational catch of a pass from Michalka to place the ball in scoring position and Bob Holloway and Bob Wilkerson, alternating at end with Holloway getting the lions share of the play, both going great. Olin Armstrong, substitute left end was in there for some sensational work.

Lawrence Michalka, the man under the T turned in a great game, though having a bit of trouble at running. He reached an all time high with a kickoff on the Rosebud 2 yard line in the fourth quarter to stymie an offensive thrust by the Panthers. Billie Hauk was in great form and alternated with John Moseley in backfield duties. Muggo Garcia was a standout at blocking back and John David Matula, senior letterman, was all anyone could ask for as a defensive back.

The Yoemen set a record for the

season with 316 yards on ground gained. They threw 7 passes and gained 26 yards. They drew 40 yards on penalties; they completed two passes; they made 17 first downs.

Rosebud did not make a first down in the first half but made 3 in the second half, two being aided by a penalty; Rosebud made 52 yards on the ground, 26 in the air; they drew no penalties; they attempted 8 passes and completed 5 for only 26 yards.

### 1st Quarter

Co-Captains Jimmy O'Neill and T. J. O'Neill met Co-Captains Billy Lierman and Calvin Zabeik for the toss. Cameron won and elected to receive. The night was cold and clear and the field heavy from an early morning rain. Billy Davis kicked to Joe Hawkins the Cameron left end who returned it to his own 35. Moseley on the first play from the line got 3 then 7 and T. J. O'Neill on a hand off from Michalka raced 35 yards round the Rosebud left end. Jimmy Hauk piled up 9 yards and O'Neill made a first down. Moseley ran the ball to the Panther 3 yard line. The Panther line rose up to smack the Cameron ground game. Michalka lost 5 yards on an end around and Beale failed to gain. Michalka then faked and got back 5 yards but it was fourth down and the ball went over. T. J. O'Neill ran the punt back to the Rosebud 35. Moseley got 3 and a pass to Hawkins was no good, Billy Hauk picked up 4 and again the Panther line was stopping the Yoemen. Michalka kicked out on the Rosebud 10 yard line, Lierman failed to gain as he was tackled by T. J. O'Neill. Cameron drew 5 yards for offsidess and after time out Rosebud had to punt. Beale got 5 yards and Jimmy Hauk picked up 17, a fine run and a first down. Beale made another first down with 10 yards. Gummelt for the Panthers threw T. J. O'Neill for a loss of 4 yards. O'Neill took a pass for 9 and then Cameron drew a 5 yard penalty. Then the pay off. On a double hand-off T. J. O'Neill raced around the Rosebud left end for the score. Riola missed the point and it was 6 to 0 Riola kicked over the Panther goal and Lierman took it and raced out to his 15. George Hollas and Jimmy O'Neill crashed down the next play as the quarter ended.

### 2nd Quarter

Calvin Zabeik picked up 7 yards, the first play to gain for the Panthers. Michalka was hurt in a head on with Tapman who had taken a pass from David Sapp. The impact flattened both men and Michalka had trouble coming around but stayed in. Rosebud had to punt. The ball was on the midfield stripe. Moseley got 7 yards. Richard Burke went in to replace Hauk and picked up 12 and a first down. The ball was on the Panther 30. Burke got 5 and Moseley lost his footing in the mud for no gain. O'Neill picked up 4 and Burke got 5 for first down. Moseley got two and it looked like the Panther line would stop the Yoemen

but something was going on over at the bench and in raced Howard Beale. It was a great run with good blocking from Joe Hawkins and Chas. Duncan the right guard who funnelled the big back through the line. He raced 18 yards for the score and Riola converted. It was 13 to 0. Bob Wilkerson went in for Holloway. Riola kicked to Lierman and Michalka got the tackle. Sapp's pass to Tapman was no good and Cameron drew 5 yards. Duncan came out and Denson Provasek went into the line. Sapp overshot Goeke with a pass and then 2 more passes failed. Defense in the Cameron line was strong. Burke and Duncan went in for Hauk and Provasek following the punt. The ball was on the Cameron 30 and 5 minutes to play. Holloway subbed in at right end and Burke ripped off a first down. T. J. O'Neill picked up 20 yards for another first down with Burke doing some neat down field blocking. Beale picked up 6 and a pass Michalka to Hawkins was no good. Burke raced 14 yards for a first down. Tries at the line failed Hauk came back in. Beale picked up 13 in two tries and the ball was on the 2. Beale got one and it was fourth down and a yard to go. T. J. O'Neill carried it over and Riola missed. It was 19 to 0. Michalka came out and post. It was a long quarter. Olin Armstrong relieved Wilkerson at right end. Rosebud refused an off-Billy Hanes subbed in at the quarter sides and Sapp picked up 4. Duncan broke through and spilled Lierman for a big loss and Armstrong was in on the tackle. Rosebud lost 2 more yards as the half ended. Score Cameron 19, Rosebud 0.

### 3rd Quarter

Riola kicked off to Davis to start the second half. Armstrong broke up a line play around his end and Sapp had to punt on fourth down. Moseley got 2, Hauk 6 and T. J. O'Neill 11 and a first down. Moseley got 6 and Hauk 10 more and a first down. Moseley fumbled and Davis recovered for Rosebud. This was the only

fumble of the game. The ball was on the 45. Rosebud could not gain and had to kick. The ball went out on the Cameron 35. Hauk picked up 6 and Beale got a first down. Cameron was set back 15 on a roughing penalty. T. J. O'Neill took a pass from Michalka for 17 yards. Cameron bogged down and Michalka punted out on the Rosebud five, a great kick. Rosebud after a line try punted. T. J. O'Neill fumbled the ball but recovered and ran the ball back to the Rosebud 5 yard line. Burke went in for Hauk and Michalka on a long sweep of the Panther left end carried to the two. Beale went over for the score, his second of the game and Riola laced it through and the score was Cameron 26, Rosebud 0. Riola kicked off to Zabeik who made a short return. John Matula, half back who was to do some sensational defense work, came in as the quarter ended.

### 4th Quarter

Gordon Gibson who is to step up to center position next year to take the place of Jimmy O'Neill came into the line and promptly broke up a Panther pass. Lierman picked up 15 yards and it was the first time the Panthers had a first down in the entire ball game. Matula nailed Lierman as he picked up 9 more and Michalka went in to relieve Hanes. Robert Zotz, 180 pound tackle was doing a bit of defensive work. Coach Jackson sent Riola in and Zotz came out. Liermann had to punt. Muggo Garcia, Burke and Beale then subbed into the backfield. With Garcia doing some fancy blocking, Beale ripped off 8 yards. Michalka lost 8 yards trying to pass and although Burke got seven of it back the Yoemen had to punt. They were deeper in their own territory than at any time during the game. Joe Hawkins put the toe into the ball and it sailed out on the Panther 45. Gene Salach began to wrap up the Panther line. He can do just that. Sapp looked very bad on passes and the Panthers had to punt. The ball sailed out on the Cameron 22. Beale got 4 and Burke 5. The Rosebud line was doing a grand job. Five minutes to play and the mud ankle deep in places. Joe Hawkins got a tub bath in a slashing tackle on the Panther

23 yard line early in the quarter. Numbers were not distinguishable. Hauk and T. J. O'Neill came in and Hauk was anxious and jumped the line. A pass was no good. Benard White 155 pound guard went in and George Hollas got his first rest of the game. White looked very capable and gave the Panthers fits. Berry Caldwell, 155 pound tackle, went in to relieve Salach and he will be coming up next year, a fine prospect. Michalka had to kick, it was poor and out on the Cameron 40. Three tries, two at the line and a pass was no good and Rosebud had to punt. It was a long quarter and both teams were slowing up a bit. Michalka lost 8 yards on an attempted pass and Burke gained 17 yards. Lewis Hollas a brother of George Hollas, came in at guard position. He is a 1948 first srtinger and was very good, putting new life into the line.

Moseley failed to gain. Mchalka punted on fourth down. M. Garcia went down and spilled the run back well. Zotz went in for Lewis Hollas. A pass Sapp to Davis was broken up by Burke. Rosebud had to kick and the ball was squarely on the 50 yard line as the game ended. Score: Cameron 26, Rosebud 0.

## Yoemen Are All Stars on Parade

Yoemen roster for 1947 reads like a parade of stars. Often in appraising the unsung heroes are just a part of the passing show.

For the first time in history the Yoemen have won two district titles in a row and it looks as though they have a much better chance this year to go on to capture the regional.

After Friday night the winner in District 30-A would be determined. It could be Burnet, Lampasas or Fredricksburg, more than likely Lampasas. In that case negotiations will begin at once for the site of the Bi-District.

In headlining the Yoemen who are District winners again, there have been some notable boys who have worked hard and played well and among them John D. Matula, half back who had the misfortune to get a collar bone broken in 1946 and who spent most of the year on the bench. Not so in 1947 for he has been in practically every game and was one of the brace of backs in the Belton game that gave the Tigers fits. John will have his last go at the Rosebud Black Panthers Friday night. He is a senior and will be playing his last game when the Yoemen get to the regional. John has been a stalwart in the backfield and one of the best ground gainers of the year.

Naturally the coaching staff and fans are thinking in terms of 1948 and as they look over the hopefuls a couple of smiling boys bob up in the picture. One of them is Olin D. Armstrong, a capable right winger who has played quite a bit this year and was a standout in the Belton and Rockdale games. Armstrong is a power on defense and is developing into one of the best pass snatchers the Yoemen have had in years. Yes, Armstrong is going to make it tough for everybody next year. He is a Junior

letterman and will be a Senior next year.

Then there is Sophomore Grady Allen, the hardest hitting guard that fans have seen in many moons. Grady has played a lot of stellar football this year. He came up to the B squad in 1946 and will be a full fledged first starter next year. With the loss of the first string line from end to end and some of the replacements Allen is facing a big job. Does he mind it? Not at all. He just smiles and smacks away. Its no secret that Coach Dick Young is grooming him for a great star in the line next year.

There are 31 men listed on the squad and The Daily Herald is spotlighting everyone of them. So just keep tuned and by Bi-District game time fans will have had a new and better introduction to every one of Coach Leo Jackson's boys. Prospects are good for next year too.

### WHISKERED BANDIT GETS HOMER ALLEN'S CAR

"He was a young man, dark, and needed a shave," is the way Homer Allen, described the man who made away with his automobile around 2:30 p. m. Thursday.

Mr. Allen gave chase but lost the whiskered bandit in the maze of street corners in the northwest section of the city.

Mr. Allen was on South Crockett street at the Help Self Laundry and inside talking with Mr. Hughes when his car was stolen. He saw the thief briefly as he drove away and can identify him.

Mr. Hughes obliged Mr. Allen

and both quickly jumped into the Hughes machine and gave chase. They followed through west Cameron and lost the bandit near the hospital area.
